

Our 2016 School Holiday programmes have been a resounding success, with a number of aspiring senior students from various schools getting their first taste of the world of Beauty and Fashion Makeup. Not only did they have a fantastic experience and learn some valuable skills but the weeks concluded with a photo shoot of their work that will be an exciting addition to their CV's and this could be the start to an incredible career path. At the end of each school holiday programme, we ask the students to give us some feedback. Here is what we found out!
