

2018 marked the third year of our tremendously popular School Holidays Programme, with large numbers of aspiring senior students from many Auckland schools getting their first taste in the world of Beauty and Fashion Makeup. Not only did they have a fantastic experience and learned some valuable skills, but for some it may even have planted the seeds of an incredible future career path as professional makeup artists. At the end of each school holiday programme, we ask the students to give us some feedback. Here is what we found out!
